COMMON GROUNDS CAFÉ

"Where Campus Meets Community"

ASPIRATIONS

BUSINESS

- Offer ethically sourced and some fairly traded products with the interests of local economy in mind
- Support our commercial partners by giving their specialties exposure
- Service the area's demand for reasonably priced café goods
- Use retained earnings for communal development

SOCIAL

- Create an open, welcoming space for customers and local residents to relax or work
- Employ both Providence College Students and community members to help fulfill the mission
- Realize the full potential of the campus's proximity to the Smith Hill Community
